MUNICIPAL & PUBLIC MEETING NOTICE

Public Meeting Accessibility: Live Captions Provided

Town halls, council meetings, library programs, and community forums.

Every resident deserves clear access to civic discussions and community announcements. Live captions are displayed on our room screen and are also available on your personal mobile device.

Public Meeting Broadcast Code

Write Broadcast Room Code above or visit zipcaptions.app

How Residents Can Follow Along

1. Look at the front display monitor or projection screen to read open live captions from your seat.
2. Prefer to read closer up? Scan the QR code above or open https://zipcaptions.app on your phone or tablet.
3. Enter the Public Meeting Broadcast Code shown above to read live captions in your hand.
4. Tap Settings on your device to increase the letter size as much as you need.

Public Comment & Questions

* When speaking during public comment periods, please use the microphone so all residents can both hear and read your remarks.
