SENIOR CENTER & LIBRARY EASY-READ GUIDE

Easy Guide: Read Live Captions on Your Phone or Tablet

Simple, step-by-step instructions for following talks, social events, and town forums.

You do not need to download any app or remember any password. Follow these 3 easy steps to read every word on your screen.

Today's Room Code

Write Broadcast Room Code above or visit zipcaptions.app

Scan: zipcaptions.app

3 Simple Steps

1. STEP 1: Open the internet browser on your phone or iPad (such as Safari or Chrome) and type: zipcaptions.app
2. STEP 2: Type Today's Room Code (written in the big box above) to join our room.
3. STEP 3: Tap the Settings button to make the words extra large and easy to read.

We Are Happy to Help You

* Raise your hand or ask a staff member or volunteer if you would like someone to type the address in for you.
* You can also read the large captions on the television screen at the front of the room.
