PLACES OF WORSHIP ACCESSIBILITY POSTER

Follow Today's Service with Live Captions

Read the sermon, readings, and announcements in real time right on your own smartphone or tablet.

Everyone is welcome in our community. In addition to our main sanctuary screens, you can follow live captions privately from any seat using your personal phone or tablet.

How to Connect Before the Service Begins

1. Put your phone on silent or vibrate so notifications do not play during the service.
2. Open your phone camera and scan the QR code above, or open your browser to https://zipcaptions.app.
3. Enter our Sanctuary Broadcast Code shown in the box above.
4. Tap Settings to make the letters larger or switch to a dark background that is gentle on your eyes.

Need Assistance Connecting?

* Ask any usher, greeter, or sound booth volunteer and they will be happy to help you get set up in a few seconds.
* No app download, password, or personal account is needed.
